An Alteration of Gateway Determination for each planning proposal is **enclosed**.

While I have agreed to extend the timeframes for these planning proposals, I am concerned about the number of proposals which have not progressed. Please be assured that I fully appreciate the challenges and difficulties that Council faces in each separate planning proposal and the significant number of planning proposals currently before Council, however, it is critical to ensure that all planning proposals are processed in a timely manner as determined by Gateway.
In this light, I encourage Council to commence and continue working on these planning proposals as further timeframe extensions are unlikely to be issued for these proposals.

If you have any questions in relation to the above matters, please contact Ms Coby Tomlins of this Office on (02) 9860 1534.

Yours sincerely
